The Jayhawk Audubon Society has joined with National Audubon to promote Plants for Birds, a nationwide effort to get 1 million native plants planted within five years. Gardeners are in a unique position to provide all four.

The Good Lieutenant Book Discussion

The Good Lieutenant literally starts with a bang as an operation led by Lieutenant Emma Fowler of the Twenty-seventh Infantry Battalion goes spectacularly wrong. Men are dead—one, a young Iraqi, by her hand. Others were soldiers in her platoon. And the signals officer, Dixon Pulowski is another story entirely—Fowler and Pulowski had been lovers since they met at Fort Riley in Kansas.
