The 1952 Totem Pole
DEDICATION

It is with great admiration and respect that we dedicate this 1952 Totem Pole to Miss Stilwell, our sponsor, who has guided us through all our troubles and accomplishments. We hope this annual may serve as a memory of our gratitude to her for her guidance.

In the fall of 1939, the Senior Class first had a taste of school life. In the kindergarten class, tutored by Mrs. March, were Aaron Wright, John Wittrock, Hank Mann, Junior Mackey, John Theden and Harley Luther. All of these, with the exception of Harley, who moved away in the third grade and came back in the eighth, have gone through thirteen years together.

Jackie Wagenknecht and reading were both new to the first grade. Their teacher was Miss Fox.

In the second grade, under Miss Burkett, the class was blessed with another addition, Edith Tate. Miss Burkett was the Student Council Sponsor.

Carolyn Hiett and Frank Smith were fondly added to the class in the third grade. Under Miss Snyder the class learned their arithmetic very well—or else!

The fourth graders studied geography under Miss Woods.

In the fifth grade, under the direction of Miss Sanders, Malinda Stolfus and George Sprague left Wilder to attend McDanield. Most of the girls entered Camp Fire Girls.

Lois Owens, Janice McCully, and Albia DeMaranville were the new additions to the sixth grade. Under Ann Dean the class had many good times together.

The seventh grade came and Junior High! The class was disappointed because they changed the Junior High rooms from upstairs to down by the office. It was more convenient for the principal who taught! Mary Ellen Huonker, Bob Penrod, and Ralph Brown joined the class that year. Under Miss Defenbaugh and Mr. Eichman, the class settled down to hard work.

The eighth grade brought the addition of Melvin Huonker. The teachers, along with Mr. Eichman, were Mrs. Greene and Miss Heyl. There were many highlights for the eighth graders, their most important being the "Field Day". Then graduation came; on to Bonner High where they met many more friends, who joined their class.

The Freshman class boasted of several new members. Barbara McKee, Robbie Milner, Barbara Risk, Juanita Eaton, Margaret Pierce, Ruth Arnold, Arlene Venable, Betty Gomez, Utah Harris, Barbara Shaver, Vernon Simms, Ralph Handley, John Stanford and Chuck Miller were added to the enrollment. Jackie Wagenknecht was president.

In the Sophomore class—led by Barbara McKee—Estella Mann, Rosemary Tichenor, Edna Pilger, Jim Dotson, Glenn Huffman and Jerry Whitehead came to Bonner High. Then to the rank of Upperclassmen——

The Juniors welcomed Shirley Hutson and Cheryl Baugh to their class. With the help of Mr. Pfaumer, they staged a swell Prom; the theme was a circus.

Gus Ramirez was the only Senior addition, coming here from St. Joseph, Missouri.

Now———-the end of their Senior year.

For some of them this will be the last school they'll ever attend. Others will go on to college, but all will lead individual lives and take their place in this world.

No matter what they do or where they go, this class of 1952 will bear in mind the memories and happiness they've had together.
JIM DOTSON
"Mr. President" but most kids call him Jim.

LOIS OWENS
It's a friendly heart that has many friends.

MARGARET PIERCE
Those who say nothing are not always those who have nothing to say.

In sports and farming he's something to fear. At K-State he'll be a Chemical Engineer.

JANICE McCULLY
Our Student Council President this year, "A job well done" say we sincere!

JACKIE WAGENKNECHT
As cheerleader and editor, she's done swell. As a secretary we wish her well.
CAROLYN HIETT
A cog that makes the school go 'round. A nicer girl just can't be found.

RALPH HANDLEY
A member of the class of '52. Of boys like this we've had too few.

JERRY WHITEHEAD
Football, annual staff, grades and honor. All of these he got at Bonner.

BARBARA MCKEE
This happy-go-lucky bundle of fun, will be missed next year by everyone.

BARBARA SHAVER
Rather quiet she seems to be, "but after four o'clock you can't fool me!"

HARLEY LUTHER
In F.F.A. and Chorus, too. Wonder what he next will do?
FRANK SMITH  
A Senior boy that we all know. Our Homecoming King who put on a show!

ROBBIE MILNER  
Her heart is like the moon, there's a man in it.

BARBARA RISK  
Here's a girl who never stops, all her boy friends claim she's tops.

AARON WRIGHT  
In Mechanical Drawing he's on top--But you never can get him to "talk shop".

JOHN WITTROCK  
A sense of humor, lots of wit, with our class he's been a hit.

EDITH TATE  
Have you lost her? Just don't fume--You'll find her in the Commerce room
MARY ELLEN HUONKER
Our 1951 Football Queen! A blonder girl we've never seen.

BOB PENROD
He's worldly wise, or so he claims, to all the innocent under class dames.

JOHN THEDEN
He is the shy and the quiet kind, but a truer friend is hard to find.

RUTH ARNOLD
On any class project, she never shirks. Just find her at Watson's where she works.

JUANITA EATON
This little miss has added much to the history of this school and such.

GLENN HUFFMAN
For a hay-rack driver, he's the best. Two flat tires for him as the test.
RALPH BROWN
Another Senior leaving soon. Where to next? Perhaps the moon!

SHIRLEY HUTSON
A tiny imp, but oh, so sweet. She never needs to fear defeat.

ESTELLA MANN
Although a little quiet and shy, look twice and you won't pass her by!

MELVIN HUONKER
This tall boy just never dates—It's horses he loves and women he hates.

CHARLES MILLER
His extra-curricular activities are movies and pool at which he's a star.

ROSEMARY TICHENOR
She looks like an angel, she acts like one too, but you can never tell what an angel will do.
EDNA PILGER
We don't have very much to say about this girl, 'cause she's O.K.

ALBIA DEMARANVILLE
Four long years she's struggled through,
Now what should he ought to do?

HENRY MANN
Another farmer soon to be
Who will be his lucky "she"?

CHERYL BAUGH
Boys, she's not shy.
Take a look, then give a sigh.

MALINDA STOLFUS
You can look far and near,
But you won't find a friend so dear!

GEORGE MACKEY
Practice makes perfect, at least at pool--
He doesn't know how this works at school.
GUS RAMIREZ
A Romeo who hasn’t found his Juliet.

BETTY GOMEZ
What a happy looking face
In this world she’ll take her place.

ARLENE VENERABLE
A busy Senior girl is she,
In keeping the Student Council’s treasury.

UTAH HARRIS
His day is night, his night is day
He sleeps American History away.

VERNON SIMMS
What is football without Vernon?
Next year for him they’ll be yearnin’.

JOHN STANFORD
If your paper arrives a little late,
Don’t fret ‘cause John’s just making a date!

CLASS PROPHECY

The Time: 1977
The Place: The living room of the Henry Mann farm.

Henry and his wife, the former Margaret Pierce, and John Theden, the truck farmer, are watching the television set. They have the new ultra, super, dynamic set designed by Ralph Brown. Let's listen in.

Ladies and Gentlemen: This is station B.P.A.D.-TV, the largest television station in the world, owned and operated by Bob Penrod and Albia DeMaranville. This is your announcer, Robbie Milner. We are going to take you now to the Club Dotson for our next program. The Club was built only recently by the Handley Construction Company and was designed by that great architect, Aaron Wright. His wife, the former Barbara McKee, decorated it and Lois Owens painted the murals on the walls.

But now, let's see the show. Some of the greatest people in show business are here. There's Junior Mackey, the orchestra leader, and there is Harris & Venerable, the song and dance team. Singer Barbara Risk and dancer Rosemary Tichenor made their television debut here a few months ago and have really been going places since then.

Here is the latest news: It is the report that the Wall Street millionaire Frank Smith cleaned up 2 million dollars today. His wife, Jackie Wagenknecht, is the famous criminal lawyer. Smith and his partner, Jerry Whitehead, the oil tycoon, have been taking in the money lately.

Glenn Huffman, President of the National F.F.A. Foundation, and Melvin Hounker, noted Hampshire pig raiser, are in Kansas City visiting the F.F.A. Convention.

Mrs. J. O. Reynolds, the former Janice McCully, and Cheryl Baugh, the famous mathematician, are attending the National Teachers Association Meeting in New York. Both are teachers at the University of Kansas. George Sprague, the Chemical Engineer, announced today that he had found a method of making gasoline from water.

And now here's our fashion reporter, Estella Mann, with a note for the ladies. Shirley Hutson and Edna Pilger, dress designers, held their annual fashion show at their salon today. Miss Mary Ellen Hounker modeled the dresses and gowns. Malinda Stolfus, who has been doing missionary work in Africa, Barbara Shaver, socialite, and Carolyn Hiett, the President's Secretary, were among the famous guests present.

Here is the latest sports news: Tonight in New York's Madison Garden, Vernon Simms and John Stanford scored 58 points each as the Harlem Globetrotters beat the College All-Stars 116-0.

Today in Indianapolis, Chuck Miller won the speed event with an average speed of 215 m.p.h.

And now Ladies and Gentlemen, here is the program you've all been waiting for. Your Answer or Else, with the only lady quiz mistress on television, Miss Ruth Arnold. Our first two contestants of the evening are Dr. John Wittrock and his nurse, Edith Tate. If they can answer this question they will each receive 25 lessons at the Gus Ramirez Dance Studios and will be taught exclusively by Miss Betty Gomez. "Who were the two people who created a sensation in Hollywood recently by imitating a barber shop quartet with just two people?" Harley Luther, the barber for MGM, and Juanita Eaton, the famous actress? That's correct.

This is station B.P.A.D.-TV signing off for tonight.
