**Fiction**

**Dark Sky (A Joe Pickett Novel Book 21)**
C.J. Box

"A strong entry in this long-running and wildly popular series. Box's novels have been translated into 27 languages and regularly appear on best-seller lists, a testament to the strength of his writing and the popularity of the melding of western and crime genres." – *Booklist*

**Wild Sign (Alpha and Omega Book 6)**
Patricia Briggs

"[Briggs] spins tales of werewolves, coyote shifters and magic and, my, does she do it well...If you like action, violence, romance and, of course, werewolves, then I urge you to pick up this series." – *USA Today.com.*

**Win**
Harlan Coben

"Every time you think Harlan Coben couldn't get any better at uncoiling a whip snake of a page-turner, he comes along with a new novel that somehow surpasses its predecessor." – *San Francisco Chronicle.*

**Fast Ice (The NUMA Files Book 18)**
Clive Cussler

"The pace never slows, and the villains are extra nasty in this entry that delivers what readers expect when they see Cussler's name on the cover. Cussler, who died in 2020, and frequent cowriter Brown convey marine biology's complexities in a way that makes it believable and understandable. Grab a comfy chair and plan to read all night." – *Library Journal.*
Meant to Be: A Novel
Jude Deveraux

"Juicy and entertaining... Alongside the budding romances, the friendships are in full bloom.... Emotional, imaginative, and gloriously silly." – Kirkus.

The Bounty: A Novel (7) (A Fox and O'Hare Novel)
Janet Evanovich

"Fans of Janet Evanovich will not be disappointed; her writing blends perfectly with the award-winning mastery of Hamilton ("Alex McKnight" thrillers). The globetrotting only adds to the enjoyment of what is arguably even better than her "Stephanie Plum" books. Mission: Impossible meets National Treasure in this winner that one hopes will be the first of many more adventures and more collaboration with Hamilton" – Library Journal.

The Lost Apothecary: A Novel
Sarah Penner

"Readers who enjoy Katherine Howe and Susanna Kearsley will be drawn to this promising, fast-paced debut." – Booklist

The Rose Code: A Novel
Kate Quinn

"Quinn (The Huntress) returns to WWII in this immersive saga. [Her] page-turning narrative is enhanced by her richly drawn characters and by the fascinating code-breaking techniques, which come alive via Quinn’s extensive historical detail. This does not disappoint." – Publishers Weekly
Eternal
Lisa Scottoline

"Scottoline’s admirable foray into historical fiction...expertly brings historical events to life. Fans of WWII fiction will be drawn to this immersive, emotional novel." – Publishers Weekly

Life After Death: A Novel
Sister Souljah

"An inventive sequel . . . . Souljah’s fans will recognize familiar themes from her earlier realistic coming-of-age novel, while this raw and otherworldly tale conveys the terrible consequences of Winter's poor choices, which will haunt her until she begs for redemption." – Booklist.

We Begin at the End
Chris Whitaker

"A vibrant, engrossing, unputdownable thriller that packs a serious emotional punch. One of those rare books that surprise you along the way and then linger in your mind long after you have finished it." – Amazon.com.

The Consequences of Fear: A Maisie Dobbs Novel
Jacqueline Winspear

No Pain, No Gaines: The Good Stuff Doesn't Come Easy
Chip Gaines

"That’s been true ever since he was a little pint-sized hustler selling candy and Capri Suns down at the public tennis courts in northeast Texas. You’ve probably seen him sweat on his television show, Fixer Upper. Deep in his bones he has always known that hard work yields great results, even when there’s little observable evidence of it." – Amazon.com.

The Energy Paradox: What to Do When Your Get-Up-and-Go Has Got Up and Gone (The Plant Paradox, 6)
Steven R. Gundry

"The author of the bestselling Plant Paradox series takes a fresh look at one of the top health issues plaguing Americans—fatigue—and offers a revolutionary plan for boosting energy and revitalizing mental and physical stamina." – Amazon.com.
Preventing the Next Pandemic: Vaccine Diplomacy in a Time of Anti-science
Peter J. Hotez

"The last five years saw a significant return of epidemic infectious disease, culminating in COVID-19. In our new post–COVID-19 world, how do we prevent future illnesses by expanding scientific and vaccine diplomacy and cooperation, especially to combat the problems that humans have brought on ourselves?" – Amazon.com.

The Code Breaker: Jennifer Doudna, Gene Editing, and the Future of the Human Race
Walter Isaacson

Dusk, Night, Dawn: On Revival and Courage
