The Bell in the Lake

Adult Book Discussion on Zoom

Tuesday, January 18, 6:00 pm

As long as people could remember, the stave church's bells had rung over the isolated village of Butangen, Norway. Cast in memory of conjoined twins, the bells are said to ring on their own in times of danger. In 1879, young pastor Kai Schweigaard moves to the village, where young Astrid Hekne yearns for a modern life. She sees a way out on the arm of the new pastor, who needs a tie to the community to cull favor for his plan for the old stave church, with its pagan deity effigies and supernatural bells. When the pastor makes a deal that brings an outsider, a sophisticated German architect, into their world, the village and Astrid are caught between past and future, as dark forces come into play.

Library News

FREE Tax Preparation from AARP

AARP will be back again in 2022 to provide free tax preparation services at the Library. We do not know the start date at this time, but they plan to be here on Tuesdays again as they were in the past. This year we will require sign-ups in advance due to restrictions. For a list of what you should bring with you please visit the checkout desk. There are also some guidelines for what returns they can help with, so check with the Library in advance for details.

****We will update our website and social media with specific start dates and more information as we receive it.**

Friends of the Library Book Sale

Starting February 10th, come shop our Friends of the Library Book Sale! Great deals on books; check our February calendar for details.
